

## GROVES AWARD 2011 CALL FOR NOMINATIONS

### THE AWARD

The Groves Award for outstanding leadership and vision in the promotion of Transect-based planning will be given jointly by the Transect Codes Council and the Congress for the New Urbanism.

The award is given in honor of Ken Groves, the late Planning Director of the City of Montgomery, Alabama. His leadership in using land development and planning to create better communities is a gift that he left for all. Through his vision and persistence, Alabama's capital city began its journey back to prominence and sustainability.

The inaugural award will be presented at CNU19 in June, 2011.

### ELIGIBILITY OF CANDIDATES AND NOMINATORS

Any public official, elected or staff, except for the sitting jury, is considered eligible for the Award.

Nominations may be submitted by either the public or private sector, by members of the CNU, members of the TCC, or any other professional planning affiliation. Nominations submitted with the endorsement of an entire group will be given appropriate consideration by the Jury.
